CONTINUITY OF SUPPORTS

Our role as Support Coordinators is to support you to access the services and supports you require to achieve your goals including “continuity of support” which means ensuring you get the supports you require when you need them. There can be many situations where this support is necessary as listed below:

- *During a pandemic such as Covid 19 where services have reduced staff available to support you*
- *If you get Covid 19 and are infectious*
- *If you are hospitalised*
- *Natural disasters*
- *During NDIS Plan gaps*
- *Staffing illness*
- *Services withdrawn*
- *Family crisis etc*
- *If we are no longer able to provide service In2Change will support, you to find a new appropriate provider*
